

Talent **MATCH**

## A Simplified Recruitment Guide for GLAM Organizations

**GLAM stands for Galleries, Libraries, Archives, and Museums**

The following lists post-secondary institutions with programs relevant to GLAM that include a work-integrated learning (WIL) component such as co-op or practicum, and is meant to simplify student recruitment.

Most work terms are semester based and are indicated with the following symbols: 🍂 Fall (September-December), ❄️ Winter/Spring (January-April), or ☀️ Summer (May-August). Short placements can take place at the end of a semester, throughout the semester, and in some cases, only in Spring or Summer. **The best time to start recruiting is at least two months before the start of the semester.** All programs require students be paid except those with a \* (which are unpaid) or a + (which prefers a stipend be paid or offers the option of either paid or unpaid placements).

For more information on programs and what students learn, visit the schools' websites.

We suggest casting a wide net and recruiting from multiple schools to find the student that's right for the role you are hiring for. **Use ACE-WIL's Post an Opportunity portal to recruit from multiple schools at once: [acewilbc.ca/post-an-opportunity](https://acewilbc.ca/post-an-opportunity).**
