

## Work Learn Program: End-of-Term Reflection Questions

### Student Experience

- What are some highlights of your Work Learn experience?
- What challenges did you encounter and what changes would you recommend?
- Are there things you wish you could have done differently this term?
- What is your key takeaway from this experience?

### Application of Learning

- What kind of impact does this experience have on your personal, academic, and career goals?
- How will you use what you've learned in your Work Learn position to future opportunities or work?
- What areas would you like to improve in or what skills would you like to develop further in your next position or role?
- How does your understanding of the world of work change as a result of your participation in the Work Learn program?

### Feedback for Employer

- What tips or advice would you give the next student stepping into your role?
- What can we do to improve the student learning experience for future students?
- What can your supervisor do to help students better achieve their goals in this position?
- Would you recommend this Work Learn job to other students looking for work on campus?  
Why or why not?
