

ACE-WIL BC/Yukon Conference
May 27-28, 2024 New Westminster BC

Partnership Package

The Association for Co-operative Education and Work-Integrated Learning BC (ACE-WIL) invites you to partner with us for our upcoming conference, happening in May 2024 in beautiful scenic New Westminster, BC.

This conference will bring together Co-operative Education and Work-Integrated Learning practitioners from 25 institutions across British Columbia, the nation and beyond for an exceptional learning and networking opportunity.

Attracting and retaining talent is quickly becoming a top priority for organizations, and co-op or work-integrated learning is a direct pipeline to our future workforce. Together we can create a better future with opportunities that foster skill development, innovation and experiential education.

This is an exciting opportunity for you to connect with this emergent talent pool and get your organization recognized.

Your partnership at this conference is a prime opportunity to engage, connect, and establish strategic relationships with Co-op and WIL Program leaders at institutions across British Columbia.
